The Popularization for Financial Management for in 2023

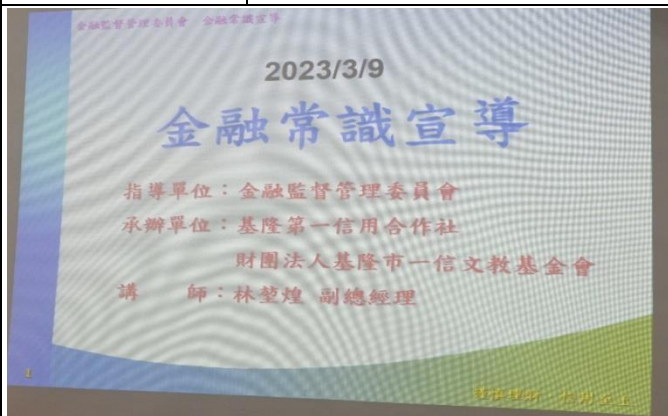

Date

March 9th

Content

“The Popularization for Financial Management for in 2023” was held together with Financial Supervisory Commission Banking Bureau and Ilan Prison at 13th in March 9th. Due to the importance of the financial management for themselves, we introduced the domestic financial system to the inmates, and instructed them in managing their own finances, such as keeping account, making deposit, properly using credit card and debts paying etc.

These courses will enable the inmates to manage their finances well in the future.
