The Enlarged Inmates' Telephone Hot-Line with Relatives for Mother's Day In 2023

**Date**

April 25th-26th

**Content**

In order to soothe the homesick inmates on the eve of Mother's day, the event of "The Enlarged Inmates' Telephone Hot-Line with Relatives for Mother's Day in 2023" was held at the auditorium of Ilan Prison. To implement government's and Agency of Corrections, MOJ's pandemic control policies, we especially took every teaching section apart and not only separating the seats by partition boards but sterilizing the phones and seats after using. There were a total of 3,367 inmates made the free phone call in 2 consecutive days. The inmates expressed miss and care as soon as their families picked up the phone. We were also thankful for the long-term sponsorship of providing free phone lines from Ching-haw Telecom Company, which has been offering since long ago to help the inmates to be closer with their families.
