Event	The National Educational Artistic and Vocational Exhibition Event of Correctional Institutes in 2024 - the LOGO Design Contest
Date	7 th Mar.
Content	The I-Lan Prison held the National Educational Artistic and Vocational Exhibition Event of Correctional Institutes in 2024 with the subject of displaying the training result of inmates. For giving the specific image of the event, we held the event LOGO Design Contest. The inmates showed creativity and designed the unique and meaningful LOGO of the event, breaking the social stereotype for inmates and helping enhance the image of correctional institutes. With total 3 inmates attended and naming the subject as “Artistic Dancing on the Wall, Flying with Dream”, they show their muse and creativity, displaying the meaning of feeling warmness by calming down in spite of prisoning in the wall, reminding not to make mistakes again in every seconds and welcoming the road of coming home with building the dream and happiness through the images.
