Event	The Inmates' Calling Home for Lunar New Year Festival in 2025.
Date	7 th Jan.
Content	For enhancing the connection between the inmates and their family members and pacifying the inmates' missing of their family. I-Lan Prison held the event of inmates' calling home for Lunar New Year Festival on 7 th Jan. 2025 at the auditorium and the assembly hall. There were 288 lines for all inmates to take phone for free. The saying "Being Homesick melancholy deepens in fine holidays" was fully reflected at the scene. The sad feeling of care and miss could be seen everywhere on whether male or female inmates' faces when each phone was connected through. Even some of them busted into tears to release their emotion. We are very grateful to Chung-Hwan Telecom Company for sponsoring the event since years ago, which has been helping the inmates to be more close to their families.
