I-Lan Prison held 「The Family Guidance Day for Preventing Addiction of Drugs & Alcohol in 2025」 on 11<sup>st</sup> Mar. We invited I-Lan County Government Social Affairs Department、Narcotics Hazard Control Center、Rehabilitation Protection Association I-Lan Branch to handle together. There were 28 families participate in. This event gave service to inmates' family and their main friends and referred social resources before inmates leave the fail. The group supplied preparatory services for title transfer to ease off the burden of inmates' families and increase their pleasure to admit inmates coming home.

The Chief graced the location
