Event Drug Addiction Family Support Day

Date July 1, 2025

Content

To strengthen the emotional bonds between inmates with drug addiction issues and their families, Yilan Prison, in collaboration with the Yilan County Government Department of Social Affairs and the Jenru Family Care Association, held the “2025 Yilan County Family Support Day for Inmates with Drug Addiction” on July 1. A total of 10 families and 28 family members participated in the event.

During the activity, family members shared the emotional stress of living with loved ones struggling with addiction, offering mutual support and fostering greater understanding. The Department of Social Affairs also promoted the importance of self-care and introduced available community resource programs. The event concluded with a professional photographer capturing family portraits, preserving these precious memories.
