Event	Lecture on Life and Character Education by Teacher Lin Mei-Ching
Date	October 01-02,2025
Content	Yilan Prison recently held a <i>Life and Character Education</i> reflection writing activity. With the help of volunteer teacher Ms. Lin Mei-Ching, who shared inspiring short films promoting balance of mind, body, and spirit, the program successfully helped inmates relieve stress and achieve positive personal growth. To build on these encouraging results, Ms. Lin was invited to give two special lectures on October 1 and 2 at the chapel. Her talks were lively and heartfelt, and she also shared her own life experiences with the inmates. Through an interactive Q&A session and the gifting of educational books, she created a warm and thoughtful atmosphere that deeply touched everyone present.
