Event	Restorative Justice Art Competition for Inmates
Date	March 11, 2026
Content	<p>To encourage inmates to develop their creative potential, cultivate their character through arts and culture, enhance their artistic literacy, and improve their temperament, while also promoting a deeper understanding of restorative justice, this event adopted “Restorative Justice” as its creative theme. Participants were free to develop their own ideas and choose their own subjects. The Restorative Justice Painting Competition was held, with a total of 16 participants, including 11 from the men’s division and 5 from the women’s division.</p> <p>During the competition, participants freely expressed themselves, skillfully using various painting materials and techniques to present aesthetically rich concepts and creativity, successfully incorporating and reflecting the essence of restorative justice.</p>
