<b>Event</b>	Family Support Day for Drug Users and Drunk Driving Offenders(Restorative Program)
<b>Date</b>	March 25,2026
<b>Content</b>	<p>To promote and restore family relationships of inmates incarcerated for drug use and drunk driving offenses, a Family Support Day event was organized in 2026 through joint collaboration among the labor, health, and social welfare authorities. The event was held at the institution’s counseling hall. A total of 34 inmates and 67 family members participated.</p> <p>The event provided inmates with a valuable opportunity to engage and communicate with their parents, partners, and children, with the aim of facilitating their successful reintegration into family life and society upon release. The event was filled with warm and joyful interactions among family members, creating a caring and supportive atmosphere.</p>
